

**EXHIBIT B - CONDITIONS OF APPROVAL
SLOCOG DRC2015-00046**

Approved Development

1. This Minor Use Permit / Coastal Development Permit authorizes:
 - a. Construction of a gateway monument sign for the community of Cambria, to be viewed traveling southbound on State Highway 1, south of the Moonstone Beach Drive exit.
 - b. Maximum height is 9.5 feet from existing grade.
 - c. No lighting is authorized with this approval.

Conditions required to be completed at the time of application for construction permits

Site Development

2. **At the time of application for construction permits** plans submitted shall show all development consistent with the approved site plan, floor plan, architectural elevations and landscape plan.

Conditions to be completed prior to issuance of a construction permit

Fees

3. **Prior to issuance of a construction permit**, the applicant shall pay all applicable school and public facilities fees.

Conditions to be completed during project construction

Archaeology

4. **During construction**, in the event archaeological resources are unearthed or discovered, the following standards apply:
 - a. Construction activities shall cease and the Environmental Coordinator and Planning Department shall be notified so that the extent and location of discovered materials may be evaluated by a qualified archaeologist, and disposition of artifacts may be accomplished in accordance with state and federal law. The applicant shall implement the mitigation as required by the Environmental Coordinator.
 - b. In the event archaeological resources are found to include human remains, or in any other case where human remains are discovered during construction, the County Coroner is to be notified in addition to the Planning Department and Environmental Coordinator so that proper disposition may be accomplished.

Conditions to be completed prior to occupancy or final building inspection /establishment of the use

5. **Prior to final building inspection**, the applicant shall re-seed disturbed areas with native grass and/or flower seed.

6. **Prior to occupancy of any structure associated with this approval**, the applicant shall contact the Department of Planning and Building to have the site inspected for compliance with the conditions of this approval.

On-going conditions of approval (valid for the life of the project)

7. This land use permit is valid for a period of 24 months from its effective date unless time extensions are granted pursuant to Land Use Ordinance Section 23.02.050 or the land use permit is considered vested. This land use permit is considered to be vested once a construction permit has been issued and substantial site work has been completed. Substantial site work is defined by Land Use Ordinance Section 23.02.042 as site work progressed beyond grading and completion of structural foundations; and construction is occurring above grade.
8. All conditions of this approval shall be strictly adhered to, within the time frames specified, and in an on-going manner for the life of the project. Failure to comply with these conditions of approval may result in an immediate enforcement action by the Department of Planning and Building. If it is determined that violation(s) of these conditions of approval have occurred, or are occurring, this approval may be revoked pursuant to Section 23.10.160 of the Land Use Ordinance.
